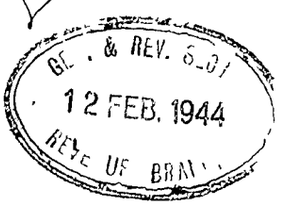
OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE

Bangalore, 10th February 1944.

Muzrai 201-43-1.



FROM Rajasevaprasakta
M. Seshadri, Esqr., M.A.,
The Muzrai Commissioner in Mysore,
Bangalore.

To

K. Subba Rao, Esqr., B.A.,
Additional Secretary to Government
of Mysore, Bangalore.

SIR,

Subject:- Re:- Allotment of II class vacancies in the unit of the Muzrai Commissioner, to be filled up by 'A' and 'B' lists.

---

I have the honour to state that there are six posts in the institutions (as detailed in the margin) to be filled up by candidates belonging to II class and Typists. Out of these, two posts at Tirupati and one at Sri Chamarajendra Veda Maha Patasala, have to be filled up by appointing only Brahmin candidates from the 'A' list, as they have to supervise the feeding arrangements. But, according to C.R.B. classification an 'A' list candidate can only be appointed when there is a general vacancy which occurs once out of six vacancies. In the ordinary course there is no chance of the occurrance of a general vacancy in this unit which contains only six posts. When a vacancy occurs either at Tirupati or Chamarajendra Veda Maha Patasala, the practice hitherto was to obtain the approval of Central Recruitment board on condition to treat the next general vacancy as special. But it is so happening for the last seven years, that it has not been possible to stick on to the promise as sufficient special vacancies are not occurring for classifying a general vacancy. For instance, the special vacancy that was utilised as general in the year 1937, for being filled up by a Brahmin candidate has not been compensated so far.

Muzrai F/E No. 201 of 1943-44

In the circumstances, I request you kindly to obtain sanction of Government, to fill up the two vacancies (one at Tirupati and the other at Sri Chamarajendra Veda Maha Patashala) by appointing 'A' class candidates only, and if considered necessary, the other four appointments in the other Institutions may be filled up from amongst 'B' class candidates.

I have the honour to be,
Sir,
Your most obedient servant,
Muzrai Commissioner.

(1) Since the proposal of the M.E. involves a departure from the rules of recruitment, the Public Service Commissioner may perhaps be consulted in the first instance.

(2)

(3) I suggest that the two appointments referred to by the M.E. be excused altogether from the purview of the C.R.S. Rules. The P.S.C will be consulted

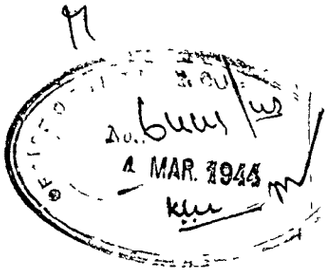
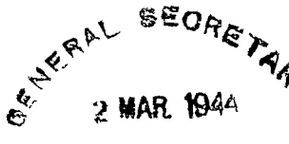
(6) The Revenue Commissioner's proposal to fill up the two posts, one at Tirupati and one at Sri Chamarajendra Veda Maha Parashala by appointing Brahmin candidates may be accepted in the circumstances explained in the paper under disposal subject to the condition that whenever the vacancy in which such an appointment is made happens to be a special one, the next General vacancy in Class I which occurs in the unit may be filled up by appointing a 'B' list candidate by way of compensation.





Public Service Commissioner.

(7) Forwarded with compliments to the Revs Comm for favour of remarks if any

Returned with compliments.

(8) The I Class vacancies cannot be compensated for II Class vacancies, as suggested by the Public Service Commissioner, as it will block the prospects of candidates assigned to this unit, in Class I. As such, the recommendation made by this office may be accepted; or, in the alternative, these two appointments may be excluded from the operation of the C.R.B. Rules.

(15) I cannot understand why class I vacancies should not be compensated for class II vacancies. In fact there are precedents where compensation was claimed and offered in one series for utilising special vacancies for the appointment of Brahmin candidates in another series (vide C.R.B. Collections 43-41-Sl 1/2 and 44-38 Sl 1.) The apprehension of the Muzrai Commissioner that such a course will block the prospects of class I candidates assigned to the unit, will be

removed by transferring them elsewhere

16) The post of Typists in grade Rs.25-1-40 cannot be clubbed with the clerical posts for purposes of recruitment. As they are two different kinds of appointments, they have to be separately classified and filled up from the respective approved lists. Actually there are, at present, five posts of clerks in class II cadre, out of which only one post can be classified as general. The proposal to treat one more post as general for appointing a brahmin candidate cannot be countenanced as it will prejudice the interests of Backward Communities.

17) May I, however, suggest an alternative procedure for consideration? As the Muzrai Commissioner is also the Revenue Commissioner, the mutual transfe of officials between the Revenue Department and the Muzrai Department, according to the exigencies of work, appears to be feasible from the administrative point of view. If one more Brahmin official is needed in the Muzrai Commissioner's unit, a brahmin official from the Revenue Department may be transferred to the Muzrai Department and a non-Brahmin official from the latter to the former department. This mutual transfer will not only answer the requirements of the Muzrai Commissioner but also retain

the communal ratio unaffected on the whole.

18) I am not in favour of excluding the two posts from the operation of the rules as suggested in paras 9 and 10.

19) Forwarded w/c to the Revenue Secretary with remarks as to the Commissioner's views as above.

Letter to Revenue Secretary

A.7165/43-4

20) Returned with compliments.

21) The alternative proposal of the Public Service Commissioner is that if one more brahmin official is needed in the Muzrai Commissioner's Unit, a brahmin official from the Revenue Department may be transferred to the Muzrai Department and a non-brahmin official from the latter to the former department. This proposal is not feasible for the reason that except one post of an Assistant Record Keeper in grade Rs.25-1-30/- in Class II series, there are no posts of this series in the Revenue Commissioner's Unit. Even this one post does not admit of change of incumbents as this is filled up by the appointment of an official experienced in this work and who is not qualified for any other post.

22) I suggest that these two ~~appoints~~ appointments, may in view of their special nature, be excluded from the purview of the C.R.B.Rules.

(31) As promotion of all these six officials (both in pensionable and non-pensionable establishments) to the next higher grade in the Remit according to their seniority is permissible as accepted in the misc. file 143-43-2, there will be no stagnation to any one official in any of the Institutions
